Dear Sir:

Your mother, Mrs. Janina Karruth, a patient at this Hospital, appears to be failing in health. She is very weak and is not eating very well. We felt that you should be notified of her illness and on account of her advanced age we feel that that she will not live very long.

We would be glad to hear from you and receive instructions as to the disposition of her remains in case she passes away. She does not seem to be suffering and her condition appears to be entirely due to incidents of advanced age.

Very truly yours,

Frederick Dunn

Dr. Frederick Dunn,
Superintendent.
